Ed. CRESSET:—Dear Bro, here
comes a few items for CRESSET
and for CRESSET Readers.

Dear Bro. Garrett there has
been a man holding a meeting
here last week in the Court
House. He was an Evangelist
preacher, and a very smart man.
I mean a well read man, knows
lots of Bible, and good on history
he has got all this different de-
nominations beated by lots. But
one thing he lacks yet, God's
two witnesses he has not got. Of
course we know when he leaves
out one witness he has left out
half. But no One man theory
preacher can do any thing with
that man. He is too sharp for
them. His main preaching was
on the last battle; and the time of
the end, he says this is the last
battle, and the end of this great
battle comes the end, that is the
end of the world. or in other
word the end of all wickedness,
and God's kingdom will be set
up on earth at the end of this
battle. He also says that this
war is a seven years war, and
to prove this he begins like this.
he says that the number 7 is one
of God's finishing numbers, in
the beginning God finished his
work and rested on the seventh.
and they marched around the
walls of Jerico 7 times and it fell
he also mentioned the 7 church-
es, and seven spirits, the 7 stars,
the beast that Johe saw rise up
with 7 heads, and lots more
Bible sevens that I can't men-
tion at present. And says all the
sevens will prove that the last
battle is a seven years battle;

He says that all the churches
or creeds has done all they can
do. That Christ's church will
be next, and tries to show two
reasons that the creeds is at
their end, one is because they
havent been teaching the word
as it ought to be, and another
reason is that this is the end of
the Gentile reign that Jerusalem
was overthrown and trodden
under foot of the Gentiles for a
certain time. and now that time
is expired, and for that reason
this different denominations has
come to their end. He says
that Christ will establish his own
church among the Gentiles then
return to the Jews, than the
law will go forth of Zion and the
word of the Lord from Jerusa-
lem. He also says that Great
Profit is to come to establish
Christ Kingdom, and him shall
we hear in all things.

Now Bro. Garrett dont think I
blame this man in all his preach-
ing. I do not, I blame him in
many things. I believe this is
the last battle and that Christ
will set up His kingdom on earth
at the end of this great battle.

But this man says this seven
years war is the seven seal bro-
ken, beginning 1914 and one sea-
is open every year to 1921 and
the end will be 1922 and every
year will grow worse and worse

OUR FLAG

The American Flag is a Flag that should be honored by all
tongues, kingdoms and nations, you may ask why should it be
thus honored? For the following reasons we answer. 1st. Be-
cause the whole Flag is an emblem of heaven. 2nd. It stands
for Liberty to all mankind especially the American people? Look
at the peace of square blue in the upper corner which is a repre-
sentative of the blue arch of heaven. Please look again. at the
beautiful stars in that peace of blue, the first original thirteen,
was a representative of the thirteen Apostles, and the additional
stars place them as the fruit of the original thirteen.

But still greater, Please look at those seven red stripes. A
representative of the real blood of Christ, which was shed for
every man. Because "Christ tasted death for every man." They
are also an emblem in number of the seven spirits of God. Once
more, please look upon the six white strips representative of
the body of Christ. As his pure blood runing down over it. By
those stripes are we healed.

As Old Israel Garrett said while drafting this beautiful
emblem for the committee, and now as we come holding it up
from the earth will say "let us stand fast in the Liberty where
with Christ has made us free.

every till 1921 and he says that
that Great Prophet will be made
manifest to the world the 3 mon-
of 1918. This I dont know. But
one thing I do know, and that is
this. he hasent got God's Two
Witness, So on that account he
cant be right on every thing
there is one thing that is sure
that is this if this be the last bat-
tle, satan has been bound a
thousand years an is loosed for
a short season. which I fully
believe is true. But from the
run of this mans talk he believes
Satan is yet to be bound a
thousand years.

QUESTION NO 33

Now Bro. Garrett I will ask
you a couple of questions for
the sake of some of our new
subscribers they try to argue
me down that Saten has never
been bound for a thousand
years. I tell them that he was
bound a thousand years when
Satan tempted, Christ on the

mount, they say not so, for
Christ was only on earth thirty
some odd years. So first ques-
tion, has Satan been bound a
thousand years if so where and
when.
Second question are we living in
the seven seals if so are we in
the third seals are the seals to
be opened once a year till are
opened.

Geo. Inman,

QUESTION NO 32

Dear Editor will you please
answer this question in the
CRESSET Who baptized John
the Baptist? and why was he
called John the Baptist? Was he
a Missionary Baptist preacher?
and was Christ a Missionary
Baptist and is it the oldest
church on record.
